- TERRAIN** Beverley Westwood is a large area of predominately open common pastureland with three wooded areas, two of which are former quarried areas containing many contour features. The area is very popular with the public and also contains an 18-hole golf course. Please do not cross the greens. Please give way to the golfers and their balls. The courses will be planned to allow runners to cross the fairways diagonally rather than at right angles. The White and Yellow courses will not be in the area of the golf course.
- MAP** Please **email B Slater to reserve a map**, there will be some extras for late deciders. 1:7,500 scale. 5m contours. A4 size.
Maps will be pre-marked on waterproof paper.
The line of the golf fairways are shown on the map with black arrows.
The greens for each hole are permanently bounded by a wire fence.
Note that the trees lining the roads on the Westwood are not shown on the map.
- SAFETY** Competitors take part at their own risk and are responsible for their own safety.
- NEWCOMERS** Newcomers are always welcome at HALO events. Ask at registration for assistance.
- INFORMATION** Up to date information, results and future fixtures can be found on the HALO website www.halo-orienteing.uk
