First Class Honours....

The NOC Nottingham University Sprints took place last Saturday, with Charlotte Ward winning the women's open class.

Brian Ward finished 3rd on M40, with Brian Hostad 11th. Also 11th was Pete Harris on M55, with Amanda Ward 6th on W40.

Meanwhile on Sunday, Neil Harvatt, Brian Slater and I, ran at Carsington Pastures, courtesy of DVO.

Neil finished 4th on the blue, whilst Brian was 29th on the green, with me, Chris Simmonds 31st.

One control leg was 1km long with 80m of climb. At the top of the hill was a fantastic view of Carsington Water and 80 bell pits, some of which contained controls. These factors might just explain why it took me 21 minutes to get my control.

Poacher 2014 Week Eleven.....

Well done and thanks to Pete Harris hosting the final Poacher event and Handicap Cup at Normanby last Wednesday.

Big congratulations go to the series winners, Elspeth Jolly, Yasmine Field and Paul Murgatroyd.

Also to Handicap Cup winners, Elspeth Jolly (short) Joe Field (medium) and Dean Field (long).

Plus individual trophy winners Dean Field (vet) Mike Smith (super vet) Helena Crutchley (women's long) Kate Brown (women's medium) and Joe Field (junior)

Results and the final league positions, are on the HALO website, <http://www.halo-orienteeing.org.uk>

Lincolnshire Urban League.....

Round two of the LUL competition took place at Bottesford last Thursday. A great new area for urban orienteering, and great courses planned by Brian Slater.

Charlotte Ward and Dominic Simmonds were worthy winners for HALO on the long and medium courses. Beating some very tough competition, and their respective fathers!

Results and league standings are on the HALO website.
