## **A Storm in a Tea Cup.....**

Last year when we tried to hold the event at Bradley Woods, storm Desmond was forecast, we currently have storm Henry and as long as storm Imogen holds off, we're all set for Saturday.

Bradley Woods was first mapped in 1978 by Mark Tyszka to use for Wednesday night training, in the pre-Poacher days.

Brian Slater, who has totally remapped the area, thinks the last event held there was the early 1980s. So if you can make it for 1pm next Saturday, we'd love to see you, and can offer some great orienteering.

The technical course will be a 40 minute score event.

## **Results.....**

Last Sunday the main event was at Brodsworth Woods. Top HALO finishers were Danny Chan 5th green, Yasmin Field 26th blue, Dean Field 11th brown, Dorothy Smith 27th short green and Helen Chan (+2) 5th light green.

Pete & Isoldt Harris travelled to Hicks Lodge for the LEI event, where Pete was 27th blue and Isoldt 17th light green.

## **Northern Night Champs.....**

The NNC take place on Feb 13th at Bury. Organised by MDOC, online entries are now available.

Meanwhile the YHOA Night League tables have been finalised. Congratulations to Joe Field 1st mens junior, Yasmin Field 1st womens junior, Dean & Rosie both finished 2nd in their vets category, with Zac & Jake finishing 3rd and 5th mens senior. Mary Carrick was 4th womens ultra vet.
